Case No. 13CV1432-BAS (BLM)

**ORDER GRANTING JOINT MOTION  
TO EXTEND CASE DEADLINE**

[ECF No. 113]

20 On January 9, 2015, the parties filed a "joint motion to extend case deadline." ECF  
21 No. 113. The parties seek to extend the current deadline for filing a joint motion for  
22 preliminary approval of settlement from January 14, 2015 to January 28, 2015. Id. at 3.  
23 In support, the parties state that "an agreement has been reached on the substantive terms  
24 of the settlement," but that the settlement includes an agreement on prospective relief for  
25 all settlement class members that requires a change in the reporting output from  
26 Defendant's electronic databases, and "it has taken the parties longer than anticipated to  
27 investigate how [Defendant]'s automated systems can effectuate the agreed upon relief."  
28 Id. The parties contend that the additional two weeks will allow them to "resolve the  
remaining technical issues surrounding the prospective relief for the settlement class

1 members and finalize the settlement agreement and joint motion for preliminary approval."  
2 Id.

3 Good cause appearing, the parties' motion is **GRANTED**. The parties' deadline to  
4 file their settlement agreement and joint motion for preliminary approval of the settlement  
5 is hereby extended to January 28, 2015.

6 **IT IS SO ORDERED.**
